Ms. Rismauli Silaban, Chairperson of Organizing Committee welcomed all participants in 24th IR gala dinner last night.

Welcome to The 24th Indonesia Rendezvous

Bali, 24th October 2018 – General Insurance Association of Indonesia (AAUI) once again organize an international event "24th Indonesia Rendezvous (IR)", 24th – 27th October 2018 held in Bali Nusa Dua Convention Center (BNDCC), Nusa Dua, Bali. This year, the theme of the event is **"From Potential to Reality: 2019 and Beyond"**. IR 24th is an event where more than 500 insurance professionals from 13 countries gather and exchange ideas. This year participants came from various insurance companies, reinsurance companies, and brokers from different countries such as, Indonesia, Korea, Japan, Singapore, Malaysia, Thailand and Great Britain.

Mr. Adi Pramana, the Head of International Relation Division of AAUI stated, “We want the general insurance industry to take a bigger role in contributing to the well-being of the society, reduce the cost of government disaster recovery funding, and contribute to the growth of the economy. Therefore, we from the association—with the support of the Indonesian government and the industry—would like to shed light on the latest development of the general insurance industry and also to identify ways that would allow the industry to contribute more to the society in the years to come”.

Rismauli Silaban, Chairperson of Organizing Committee IR 24th added, “This year, we have a special moment that we dedicate to the victims of recent Earthquake and Tsunami in Palu, Lombok and the surrounding area. Therefore, we would like all participants to be actively contributes by donating cash or by credit card at the register desk at BNDCC lobby”.

The sequence of events in this year’s IR will be preceded today with opening ceremony, followed by panel discussion with the theme “Actualizing Positive Environment” and followed by CEO gathering in the afternoon. On the last day, Friday, 26th October 2018 will have the last panel discussion with theme of “Improvements from within”.
